# GLASSBORO ELITE SOCCER 2010

GBORO ELITE SUMMER 2009

## WHAT IS GBORO ELITE?

Glassboro Elite Soccer hosts a year round program for players U15 and above that want to compete on a year round basis. These teams compete in MAPS, JAGS and Showcase Tournaments. Our focus is on preparing players for the college recruiting process and giving them maximum exposure to college coaches.

**Gboro Elite currently has former players playing college soccer at the following Universities and Colleges: Camden County, NJ, Concord WV, Dominican NY, Elizabethtown PA, Gloucester County NJ, Immaculata PA, Methodist NC, Nyack NY, RPI NY, Stevenson MD and Stockton NJ.**

In addition, Gboro Elite in conjunction with US Club Soccer has for the last five summers formed Elite Youth teams to compete in Summer Regional competitions as well as local soccer tournaments in the Tri-State area and beyond. The teams are comparable to a League Select format and are designed to bring those players not competing in league select to the next level based on their merit and not their club or league affiliations.

We strive towards the concept of creating team rosters comprised of players from a variety of locations and clubs in order for a diversity of soccer backgrounds and experience to be brought together in competition.

All Gboro Elite Soccer teams will have access to experienced coaches and trainers.

This is a summer program only and in no way conflicts with regular league or club play. All players are registered through US Club Soccer.

**No poaching of players is allowed!**
